

# Adding Reports to Favorites

**Purpose:** The purpose of this document is to outline the steps for adding a report to your favorites list.

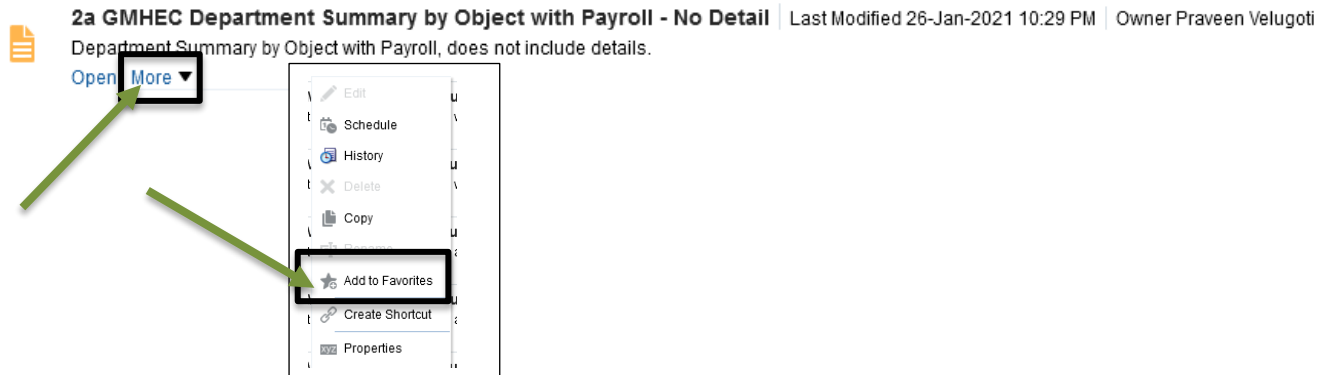

**Audience:** Budget Managers

**Additional Resources:**

- [finance@qmhec.org](mailto:finance@qmhec.org)
- [Finance & Procurement Knowledge Base](#)

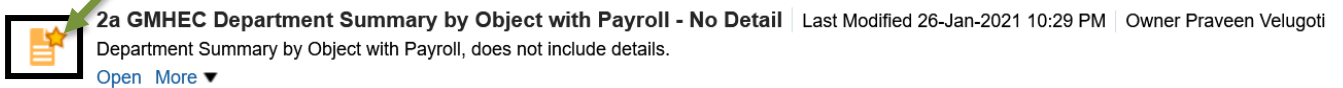

Process Step & Description	Action
<p><b>1.1 Navigation</b></p>	<p><b>Navigation Path:</b>  <i>Oracle Homepage → Tools → Reports and Analytics → Browse Catalog</i></p>  <p>Click on <b>Home</b> in the top right corner of the screen.</p>  <p>From the 'Folders' drop down on the left-hand side of the screen, select <b>Shared Folders → Custom → Financials → Budgets</b></p> 

Locate the report that you are looking to add to your favorites. Click on **More** → **Add to Favorites**.

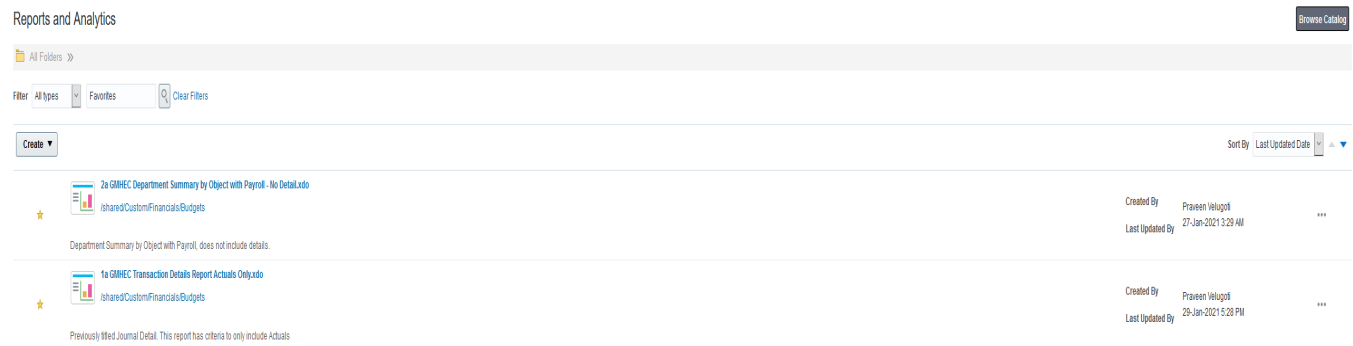

## 6.1 Adding Reports to Favorites

Reports that have been favorited will display a , denoting that it is a favorite.

Adding reports to **Favorites** will allow for quicker navigation to reports that you run frequently. These reports will show up on the Reports and Analytics landing page (*Navigation: Oracle Homepage → Tools → Reports and Analytics*)

**Note:** When the names of reports are changed, you will have to re-add them to your favorites
